Presidency University Signs MoU with Miami University for Global Academic Collaboration

22-May-2025

Presidency University signed an **MoU** with **Miami University, Ohio, USA**, on **May 22, 2025**. The delegation was led by **Dr Elizabeth Reitz Mullenix, Provost and Executive Vice President; Dr. Vaishali Raval, Professor of Psychology; and Ms. Karla Guinigundo, Director, Global Partnerships Global Initiatives.**

The visit featured engaging discussions focused on advancing academic excellence, global engagement, and innovation. Key proposals included:

1. Centre for Teaching and Learning (CTL): A proposed collaborative hub for faculty development, joint research, pedagogical innovation, and academic excellence.

2. Master's Progression Pathways (3.5 + 1.5) and Direct Entry Programs: Planned pathways in computer science, engineering, and design to enable seamless postgraduate transition to Miami University.

3. Dual PhD Programs: Potential collaboration in Physics, Chemistry, Mathematics, Mechatronics, and allied fields to facilitate joint research and supervision.

4. Hosting the Lilly Conference in India: Plans to co-host this prestigious faculty development conference, strengthening regional academic capacity.

The visit marked a significant milestone in the University's expanding **global partnerships**, reflecting a shared commitment to **academic excellence, global engagement**, and **innovative collaboration**.
